### Worship and Music

#### > Fifth Sunday of Easter

This Sunday's image of how the risen Christ shares his life with us is the image of the vine. Christ the vine and we the branches are alive in each other, in the mystery of mutual abiding described in the gospel and the first letter of John. Baptism makes us a part of Christ's living and life-giving self and makes us alive with Christ's life. As the vine brings food to the branches, Christ feeds us at his table. We are sent out to bear fruit for the life of the world.

#### > Music Ministry

In today's Gospel lesson, we hear a familiar message about Jesus being the vine and we are the branches, part of Him as He is part of us. And, for this we are thankful! The Choir anthem today has a very unique sound, and the message is simple: we are to praise the Lord for all He has done for us!

~ **The Blood of Christ.** After you receive the bread please remove your mask and eat the bread. A communion assistant will have a communion tray with pre-filled recyclable communion cups. The communion assistant will offer you the wine in a communion tray. Please take the cup closest to you. When you finish please put your empty cup in the basket and replace your mask. Please continue to practice social distancing as you come forward for communion and wear your mask as often as possible. If you feel uncomfortable, please refrain from sharing in the Lord's Supper. Also, if you don't feel well, please stay home and participate in our worship online.

All are welcome! Please contact Les Robinson ([lrobinson5@triad.rr.com](mailto:lrobinson5@triad.rr.com)) for the Zoom link, and join us on Thursday mornings!

## Save the Date

### > Kids of God Preschool – May 8<sup>th</sup> 8:00 a.m.

Our Property Ministry team has been working diligently on the restoration and renewal of our Servant's House to get it ready for our new Kids of God Preschool Program. Now, we need your help! There are a number of cleanup chores that should be completed, both indoors and outside. We are planning to hold a church wide work day to get these tasks completed. Please consider giving some time to come and assist with a variety of jobs. There is something for everyone! (Work whenever and as long as you can, but just come and do what you can.) We want the school to look great and to "sparkle" as we begin to open it up for tours for prospective students and their sponsors.

## Librarian

~ Our faithful, long time member, Lee Zinser is looking to retire from her duties as the Official KOG Librarian. If you have any interest in the Library, please call the office and we can put you in touch with Lee. Thanks
