Words of Hope from Pastor Christina

Blessings KOG family,
Peace be with you!

Remember last week where we learned that our mind will always believe everything, we tell it. So, with that gentle reminder ... Please Feed it Faith. Feed its Truth. Feed it with Love. Because when God does speak to us in that still small voice, the shepherds voice, (John 10:27) our hearts and minds need to be open to hear correctly.

This Sunday is Mother's Day... how many of you know the mothers look? Sometime, at least in my case, I was the recipient of the centered pointed mothers look when I was in trouble.

But God has changed the centered look and has given us Jesus to turn centered attention from getting the look of trouble, to a lovely still small voice of the shepherd filled with guidance and compassion.

Pr. Bird says: To seek the "still small voice" is simply to seek Jesus, to hear him, to receive him, to know all of God In him. Do you want to hear the still small of God? Listen to Jesus

May the God of all mothering figures in our life and legacy, shine in all the still small, sweet voices we hear, and open our humble hearts.
In Christ, Pastor Christina

Happy Mother's Day

A Mother's Prayer ...

Make me a wise mother, O Lord. Keep me calm and give me patience to bear the small, often upsetting things in the daily routine of life. Give me tolerance and understanding to bridge the gulf between my generation and that of my children. Let me not be too ready to guide my children's stumbling feet but allow me to be ever near to bind their bruises. Give me a sense of humor that I may laugh with them but never at them. Let me refrain from preaching with words; let me show by example instead. Keep me from forcing their confidences but give me a sympathetic ear when my children come to me. Make me humble. Keep my children close to me, O Lord, though miles may separate us. And let your light so shine through me that they, too, will perceive your glory. Amen God's blessings to all mothers. May the Holy Spirit grant you joy and peace

Kid of God

New News

April was a very busy month with new lessons, activities, crafts, and much more. We followed the Easter story and were reminded of God's love and how we are to share our love with others. Through kindness and examples of compassion, the children experience this each day. It is hard to imagine, we are now in the last month of school. The children have learned and grown in so many ways. It is a true pleasure to see their excitement for new ideas and the sharing of friendship. We have busily been preparing for our Mother's Day Tea – Thursday, May 12 - and look forward to welcoming those special people for Chapel time and lunch.
